

Date of Bulletin:	January 17, 2023
Notice #:	CCBFTR02091
Audience:	Carrier, IXC, Wireless, CLEC, ISP
Subject:	ASOG 66 System Upgrade 60-Day Notification
Date Effective:	March 19, 2023

Effective March 19, 2023, Frontier will implement Version 66 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

During the release implementation, Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions from 8:00 p.m. Eastern Time on Friday, March 17, 2023, until 7:00 a.m. Eastern Time on Monday, March 20, 2023.

With the ASOG 66 System Upgrade, the following new fields will be supported:

Form	Field Name	Field Description	Field Purpose
ASR	SSDI (PRILOC)	Site Survey Date Indicator (Primary Location)	Indicates the customer's desired site walk date at the primary location site.
ASR	SSDI (SECLOC)	Site Survey Date Indicator (Secondary Location)	Indicates the customer's desired site walk date at the secondary location site.

CLEC/Carrier testing will be available to e-bonded customers in advance of the ASOG 66 System Upgrade implementation. CLEC Testing will be held February 13, 2023, through March 10, 2023. The timeframes will be 8:00 a.m. through 12:00 p.m. Central Time and 1:00 p.m. through 5:00 p.m. Central Time. To reserve a test window, please send an email with a copy of your test plan to Frontier.ASR.Certification@ftr.com by February 10, 2023.

Frontier Access Custom Business Rules will be implemented with ASOG 66 and are available on the Access Reference Documents page of the Frontier Wholesale Operations Website at: <https://wholesale.frontier.com/Reference-Library/access-reference-documents>.
