

Carrier Customer Bulletin

Date of Bulletin: January 26, 2016
Notice #: CCBFTR01136
Audience: Carrier, IXC, Wireless, CLEC
Subject: Meet Point Billing (MPB) Record Change
Date Effective: January 29, 2016

Beginning Friday, January 29, 2016, Frontier Communications will stop including non-billable "Direct Routed" meet point billing (MPB) records in files that it distributes industry wide. Frontier has been including these non-billable Direct Routed records as a courtesy in order to update your systems for Local Transport Restructure. This decision will likely impact the size files that Frontier transmits to your company.

If you have any questions or concerns please contact your Frontier Carrier Account Manager.
